

Name _____

Per _____

Dewey Decimal System Categories

Directions: Go to the shelf and look at the books in each hundred's group. (ex 100's, 200's etc). Each hundred's group is a different category. We want you to know the categories in the library. Your job is to look at a variety of titles in each section and write down what you think each section is called. Write your guess on the first line. Afterwards, we will go over answers together.

<u>CATEGORY</u>	<u>MY GUESS</u>	<u>THE ANSWER</u>
000-099	_____	_____
100-199	_____	_____
200-299	_____	_____
300-399	_____	_____
400-499	_____	_____
500-599	_____	_____
600-699	_____	_____
700-799	_____	_____
800-899	_____	_____
900-999	_____	_____

Using the Call Number to Locate Books on a Specific Shelf

Use the call numbers below to determine the order in which the books would appear on the shelf. Write the appropriate order number (1-5) on the line above the title of each book.
